No person shall hinder, delay or obstruct any animal control officer, his/her assistant, or any law enforcement officer when such officer is engaged in performance of an official duty.

CHAPTER 8.04 RABIES VACCINATIONS

8.0401 The owner of each dog shall have proof that the dog has been vaccinated for rabies and shall have a tag attached to a suitable collar with date/year that applies.

The owner will also provide proof that the Rabies Vaccinations are kept current within guidelines established by Veterinarian.

If a dog is with the owner hunting or working farm animals, the collars may be removed. But, if asked by proper authorities, the owner shall show proof of rabies vaccination.

Failure to comply with the provisions of this section may result in charges being filed.

8.0402 In the event that a Rabies tag issued by a dog shall be lost, the owner shall obtain a duplicate tag.

8.0403 No person shall use for any dog, a Rabies tag or evidence of vaccination for Rabies, issued for any other dog.

CHAPTER 8.05 TAG AND COLLAR

8.0501 The Rabies tag shall be stamped with the number and the year for which issued. Every dog shall at all times wear a choke chain, collar, or harness to which is attached its Rabies tag unless actively engaged in hunting with its owner, or is a working farm animal.

CHAPTER 8.06 RESTRAINT

8.0601 The owner shall keep his dog or other domesticated animals under restraint at all times and shall not permit such dog or other domesticated animals to be at large off the premises or property of the owner unless under the control of a competent person. It shall be unlawful for any dog owner to keep or have within County limits a dog that habitually or repeatedly chases, snaps at, or attacks at livestock, poultry, pedestrians, bicyclists, vehicles or turns over garbage pails or damages gardens, flowers, vegetables, or conducts itself to be a public nuisance.

CHAPTER 8.07 ANIMAL SHELTER

8.0701 The County shall provide for or maintain a suitable shelter for the impounding of dogs and other animals. Such shelter shall be so constructed that animals of different kinds and of different sizes and sexes may be segregated, and shall be maintained in a safe and sanitary condition. Such shelter may either be constructed and operated by the County, or the County may enter into a contract with a veterinarian or other suitable person for the supplying and operation of the same. All animals confined in such shelter shall be regularly fed and watered and treated in a humane manner.

CHAPTER 8.08 IMPOUNDMENT AND DISPOSITION OF ANIMALS

8.0801 All dogs or other domesticated animals found running at large that constitute a public nuisance, shall be taken up to the animal control officer, and impounded in the animal shelter or other suitable shelter, and there confined in a humane manner for a period of not less than three days. Animals impounded and not claimed by their owners at the expiration of three days may be disposed of in a humane manner by the shelter operator, except as hereinafter provided in the cases of certain animals. When dogs or other domesticated animals are found running at large, and their ownership is known to the Animal Control Officer or owner of shelter, such dogs or other domesticated animals need not be impounded, but the Animal Control Officer may at his discretion, cite the owners of such dogs or other domesticated animals to appear in court and answer charges of violations of this ordinance or the animals may be released with a warning for the first offense and the second offense shall be cited to court. Immediately upon impounding dogs or other domesticated animals, the Animal Control Officer shall make every reasonable effort to notify the owners of such dogs or other domesticated animals so impounded and inform such owners of such dogs or other domesticated animals so they may regain possession of such animals. If a dog shall be wearing a rabies tag, the Animal Officer shall, immediately after impounding such a dog, and before destroying or disposing of it, ascertain the name of the owner from the records of the rabies tag and inform such owner of the conditions whereby he may regain possession of such dog, upon paying all costs of impoundment. If any owner has requested his dog or domesticated animal be destroyed, the same shall be humanely destroyed at the owner's expense; under no circumstances shall it be sold or given to any person or persons.

CHAPTER 8.09 REDEMPTION AND DESTRUCTION OF IMPOUNDED ANIMALS

8.0901 The owners shall be entitled to regain possession of any impounded dogs or other domesticated animals, except hereinafter as provided in the case of certain dogs upon compliance with the provisions contained in this Ordinance and the payment of the fees and charges provided for in this Ordinance. Any animal impounded under the provisions of this Ordinance and not reclaimed by its owner within three days may be humanely destroyed in a manner prescribed by the owner of the shelter or placed in the custody of some person deemed to be a responsible and suitable person to be the owner of such animal. After fees are obtained, the shelter may destroy any sick or injured animal which has been impounded without holding it for three days if its condition is such and makes its earlier destruction necessary or desirable. All animals destroyed shall be destroyed by a humane procedure but not by shooting.
