New Business:

Weed & Pest Department Monthly Update:

ROW spraying is still going on. The recent snow doesn't seem to have killed any weeds. We have done 2 townships this fall and 2 privates so far.

Utility work is basically done at the Weed & Pest shop. We now have water and electrical meters independent from the Millum Building. Next step is to get the office moved to the basement of the courthouse. Also need to have IT get data lines run inside the shop for internet.

Other Matters:

The 2019 South Dakota Weed & Pest District Meeting for District 1 will be in Brookings on November 6th at 9AM. Chris Hemen will be attending along with the 2 full time Weed & Pest employees.

The next meeting is scheduled for Tuesday, November 19, 2019 at 11:30AM at the Brown County Courthouse Community Room.

Mark Hoven motioned to adjourn, seconded by Dennis Feickert, motion carried.

Respectfully submitted by,
