- Good Neighbors Control Noxious Weeds -

Old Business: none.

New Business: none.

Being no more business to discuss, Wayne Holt made motion to adjourn, Matt Nelson seconded, motion carried.

Brenda Sievers with the South Dakota Department of Ag gave a noxious weed update. She noted the best times to spray. Brenda also talked about biological control of leafy spurge. It was also noted on who is responsible for noxious weed control. Townships, counties and the State are responsible for their right-of-ways and the landowners are responsible for their land. The report was very interesting and informative.

Tom Hedrick with Van Diest thanked Brown County for their business and would like to continue to serve Brown County in the future.

After the presentations everyone enjoyed brownies, ice cream and coffee/sodas which were provided by Tom Hedrick of Van Diest. Several door prizes were given away, provided by Specialty Manufacturing, J. Gross Equipment and Pro Ag Supply.

Respectfully Submitted,

Mike Rohrbach

Mike Rohrbach
Brown County Weed Supervisor.
