Brown County 4-H Fashion Revue Results

The 2021 Brown County 4-H Fashion Revue was held Tuesday July 13th. Primrose Retirement Community graciously offered their facility for the event. We had two participants this year.

In the early afternoon, Ashley Dunham of Groton and Karelyn Farrand of Aberdeen judged the models. The models were judged on the following criteria: the fit of the garment, the accessories, the individual's modeling ability, the construction of the garment; and the garments cost and care. Each model was given a ribbon placing. All participants are invited to represent Brown County at the South Dakota State Fair.
