Will you be participating in other State Fair 4-H activities on Sunday, September 3? ☐ Yes ☐ No

If yes, please list: _____

***Fashion Revue judging is scheduled for Sunday, September 3, 2023.**

1. The personal interview includes a conversation with 2 judges and outfit showcase (modeling). Stage practice to follow.
2. All participants are expected to take part in the afternoon Fashion Revue Style Show.

Fashion Revue participants will not need to submit a narration for the outfit that will be worn on stage during the afternoon style show.

In an effort to build confidence and strengthen personal presentation skills, members will introduce themselves during the style show. Each member's personal introduction will include their name, 4-H county affiliation, and one additional personal fact. For example: *Good afternoon. My name is Jill Jackson and I am an eight year member of the Classy Clovers 4-H Club in Green County; or Welcome to the SD State Fair! I'm Jack Johnson. I represent Dandy County 4-H and am also active in the beef project. This is my 3rd year in 4-H.*

The shift to 4-H members introducing themselves will foster the growth and development of creating a strong first impression, using positive vocal qualities, maintaining eye contact, confidence, and poise. Strengthening these skills now will benefit members throughout their lifetime.

During the personal interview and outfit showcase, senior 4-H members will build upon their introduction by incorporating a short oral presentation (1 - 2 minutes) including information about the garment being modeled, learning experiences or activities related to the project area, future project/personal plans, and any other information related to their 4-H career.

In addition, complementing an outfit through the use of accessories as finishing touches will help youth reach their total look goals. Consider achieving your wow look through the use of basic accessory categories such as footwear, jewelry, hair accessories, handbags, belts, and seasonal accessories (scarves, hats, gloves, sunglasses).

Focus on shape, color, texture, line, rhythm, emphasis, proportion, balance, and unity to create your head turning look.
