Weed & Pest Department Monthly Update:

Round 1 of right of way spraying has been completed and round 2 has started this week. Hot and dry weather is still a concern.

Toadflax is blooming and we are spraying areas as we find them. Chris Hemen will touch base with the Aberdeen City engineer regarding some lots in the city limits that are infested.

We have fogged mosquitos twice so far this year. Numbers seem to be down and there hasn't been a positive West Nile pool yet, but culex mosquitos are out.
