Annual Township Meeting:

Chris Hemen is going to check with equalization to see if they plan on having their meeting in person, or via conference. Regardless, he will check with IT to see what all needs to be done to set up an online meeting so it can be viewed by the public. Troy Knecht suggested recording the meeting and sending the link out to all township officials afterwards.

Weed & Pest Department Monthly Update

Chris Hemen is still scanning files for the Welfare office. This will keep him busy until he goes back to the Weed & Pest shop in April or May. He will also be moving his office to the old GIS office over the next several weeks while the new area for Zoning & Planning is being remodeled. This will make the Weed & Pest office more accessible to the general public. The last two reports to the Dept. of Ag are due by the 29th of January so Chris will get those completed soon now that he has his final expenditure report.

Other Matters

None

The next meeting is scheduled for Tuesday, February 16th, at 11:30AM in the Brown County Courthouse basement conference room.

Troy Knecht motioned to adjourn, seconded by Duane Jark, motion carried.
