**Old Business:**

none

**New Business:**

Annual Township Meeting:

Chris Hemen checked with IT to see what we would need to do online meetings. He was told that we could do Zoom calls in the media center, but they would need to do some more looking to see what it would take to record the annual township meeting.

The board discussed options for holding the annual township meeting and it was agreed to have it after the Equalization meeting on March 9<sup>th</sup>. Equalization meets at 1PM, so the Weed & Pest township meeting would be approximately 1:30PM. Chris Hemen will create the agenda and send it to all township officials.

Weed & Pest Department Monthly Update

Chris Hemen is looking for a time to meet with some chemical reps to see what's new with pesticides before working on the chemical bid. Will try to have something before the annual township meeting.

**Other Matters**

None

The next meeting is scheduled for Tuesday, March 9<sup>th</sup>, at 1:00PM in the Brown County Courthouse basement conference room (before the annual township meeting).

Dennis Feickert motioned to adjourn, seconded by Tyler Bierman, motion carried.
